DEATH OF MRS. DR. NEVITT.—Annie Thomas, wife of N. B. Nevitt, M. D., died at her home at Accotink yesterlay, after a long illness, borne with hat fortitude characteristic of the good Christian lady she was. The deceased was a native of Leesburg and was a daughter of the late F. M. Henderson, esq. During the portion of her life she spent in this section of the country she always manifested the practical part of the faith she possessed, and as a member of Pohick Church was active in the performance of all duties incumbent upon her. Faithful and devoted as a wife and friend, with a conscience void of offense toward God and toward man, she has, in the meridian of life, been called to other and brighter scenes and the sorrowing ones she has left on this side the river have the sincere sympathy of all in their sad bereavement.

It was also determined that his final rein-statement would depend no little upon his conduct during the term of his suspension. The secretary of the wardens was directed to notify Mr. Langley of this action and also to order him to reort to the Fire Wardens on Saturday March 31, at 4 p. m. (two hours before his suspension expires) to be repri-manded and reinstated by Mr. Geo. E. Hill, president of the board.

I have given this matter a great deal of consideration, and find that Pitt street has been been dedicated to the public use as far south as Jefferson street. The dedication was south as Jefferson street. The dedication was made by the owners of the property selling off-lots and describing them as binding on Pitt street. This of itself is sufficient dedication and no acceptance by the City Council was necessary. I find that Pitt street south of Jefferson street has never been dedicated for public use. Every conveyance of this prop-erty from its original owners down to the present time includes the street. It is true that from the expressions and recitals in the that from the expressions and recitals in the deeds there was an evident intention to dedi-cate this portion of Pitt street to the public se, but the records do not disclose that this

Hardly had these proceedings taken place before Commander Howard, of the oyster navy, received a telegram from Marion, Somerset county, Md., asking him to come down at once, as they were having another oyster war, this time in the Annamessex. The telegram was signed by Jno. S. Thomas, deputy commander in charge of the Helen Baughman, located in Eastern bay. Gov. Brown immediately ordered Commander Howard to proceed to the scene of trouble in the steamer Governor Thomas, which is armed with breech-loading cannon and breech-loading rifles. The ship has on board a good stock of ammunition. It was not known to what extent the new warfare had developed, but it is known that great excitement exists among all the Somerset oystermen.
